13	Teleflex	28	BOC

A nighttime photograph of the Brisbane city skyline. The sky is a deep blue with some light clouds. The city lights are visible, with several tall buildings illuminated. In the foreground, there is a dense line of green trees and a body of water, likely the Brisbane River, which reflects the city lights. The overall mood is serene and urban.

**13th INTERNATIONAL
CONFERENCE FOR
EMERGENCY NURSES**

BCEC, BRISBANE
